

Non-treated timber encased in recycled plastic
The strength & rigidity of timber
with the resilience of plastic

WOODSHIELD

Wild Kids is Peppertown's commercial range of playgrounds.

Developed specifically for schools, kindergartens, day care centres, child care & commercial facilities. These playgrounds require little to no maintenance. They are unique and stand out with their bright yet natural appearance.

- The post that does not rust or rot
- Safe, strong & weather resistant
- Smooth, no splinters or cracks
- Non edible / NO chemical issues
- NO Painting / NO termite issues
- Organically sustainable & fully recyclable
